

# 500-Hour Teacher Training Course

Join Us for an Advanced Yoga Teacher Training Course  
When: Nov – Dec 2011    Where: Koh Samui, Thailand

**Attn: YOGA TEACHERS** If you're a certified teacher (or soon-to-be) and feel like your yoga practice has reached a plateau, then I'd like to introduce you to our 500-hour Advanced Yoga Teacher Training course... one of the ONLY teacher training programs designed specifically for existing teachers!

## Here's Why You'll LOVE this Advanced Training

- **BECOME A STUDENT AGAIN** – During the course, you'll be a full-time student again for 34 days. Finally, you can be the one asking questions, seeking advice, and sitting on the receiving side of the student-teacher relationship.
- **INCREASE YOUR VALUE** – To keep up, to stay current, and increase your value as a teacher, you need to keep learning! This Advanced Training Course facilitates your growth.
- **THE POWER of IMMERSION** – Enjoy 34 days on a beautiful island where expert teachers from all over the globe will fly in each week to spend time with you. To share their teachings. To take questions and give advice. To help you get fired up and inspired so you can bring your new knowledge and enthusiasm back to your students.
- **A PEER GROUP of "WINNERS"** – Due to the nature of this course, it will attract a very specific type of yoga teacher—those with creative force—and these people will be your new peers, your new friends, and possibly partners in future projects that could last for many years to come.
- **MORE THAN JUST ASANA** – Through hands-on, practical training, your world of yoga will expand exponentially—and fast. This is going to be a fun, intense adventure.
